- During this C3 semester what has been the most significant truth you have learned or been reminded of?

- **3) Prayer:**

Guide your group in pray:

- that the fellowship among yourselves and that of our church body will continue to grow;
- that there will be revival in MBC, our community, our state, our nation, and worldwide;
- for opportunities to share our testimony with others who need Jesus;
- for God to teach us how to grow our faith and to know Him more intimately and deeply so that He will diminish our fears;
- that we will more quickly come to Him with our stress and worries, and allow his peace to guard our hearts and minds; and
- that God would protect us and bring our group back together again in the New Year 2021.

Amen!
