D) All of the disciples died martyr's deaths because of their belief in the resurrection of Jesus. People die all the time for lies that they believe are true. 2) Application:

A. How does the resurrection of Jesus fit in with our recent study of end times prophecy?

B. How should the knowledge of the resurrection of Jesus affect your everyday life?

3) Prayer: Thank the Lord for the resurrection of Jesus and the evidence He has given to its reality. Ask Him to give you the boldness to share your faith with someone soon.
