

Our prayer walk will begin at the Canoe Shack. On the map you will see that there are 8 prayer stops (marked with a red star) as you walk through town. Below are the suggested prayer themes for each stop. These prayer themes are suggestions and you should feel free to adjust them in any way that you sense the Holy Spirit is leading you—for followers of Jesus to be revived and unbelievers to be awakened.

Canoe Shack – Our prayer walk begins here. Pray for safety as we move our way through town. Pray that our presence will be a witness and testimony to anyone who observes us praying. Pray that our prayers would be Holy Spirit directed and led.

Gas Station – As you pray face west of town and pray specifically for God to work in the communities on the west side of our island.

State and County Buildings – At these symbols of our state and county pray for an awakening among the people in our county; for the county elections; and for our current county leaders. Pray for an awakening among the people in the state of Hawaii; for the state elections; and for our current state leaders.

Bakery – In this spot near the center of town pray for an awakening among our business owners. Pray for an awakening among the folks who live in and around K’kai. Pray for our first responders—police, paramedics, and fire fighters.

Catholic Church – Use this spot to seek God for a move of the Holy Spirit in the churches of our island and state. Pray that churches who worship a false god would be spiritually awakened and turn to the One True God and embrace Jesus Christ as the one and only Savior. Pray for Bible believing churches to be renewed and revived.

Post Office – As you stop at this federal building pray for revival to take place in churches across America and an awakening of the unsaved. Pray for our national leaders and for the upcoming elections.

Pauole Building - As you pray face east of town and pray specifically for God to work in the communities on the east side of our island—for followers of Jesus to be revived and unbelievers to be awakened.

Paddler’s Building – At this spot pray for the physical protection of the people of Molokai as we continue to face the invasion of COVID-19. Pray for our doctors and other health care workers. Pray that God would use this crisis for His glory.
